

## **SEASONAL SITE WAITING LIST**

La Crosse County limits the number of seasonal sites at both Goose Island and Veterans Memorial Campgrounds. The current number of allowable seasonal sites is full. Due to the number of requests for this type of site, a waiting list is kept and maintained by the La Crosse County Facilities Dept.

### ***TO BE PLACED ON THE WAITING LIST:***

- A written request (email is acceptable) must be received by the La Crosse County Facilities Dept. Please be sure to provide your name, address, phone number, type of camping unit and the campground name at which you request a seasonal site.
- Upon receipt of the written request, the Facilities Dept. will place your name on the list. A letter confirming your placement on the waiting list will be mailed to the address provided.
- Goose Island Campground only (due to reservation system)
  - Current/existing seasonal campers have until January 15<sup>th</sup> of each year to renew their seasonal campsite for the camping season that same year. If the site is not renewed (with signed seasonal agreement and paid deposit to Campground Manager or Facilities Dept.) by that date, the seasonal spot is forfeited and then made available to the waiting list.
- Veterans Memorial Campground only (no reservation system)
  - Current/existing seasonal campers inform the manager by the end of the current season if they will be renewing their seasonal site for the following year (i.e. seasonal site in 2006 will inform manager by 10/15/06 if they will renew seasonal site in 2007). If the site is not renewed, the seasonal spot is forfeited and then made available to the waiting list. The manager will then fill the site when the campground re-opens the following year.
