Goose Island is unique among public parks. Not only is it incredibly beautiful, but equally important— it is extremely well-maintained. We take great pride in our high standards because we know that is the way you want it. Whether you are with us for only a weekend or your whole vacation, "Your Gonna Love It!" If you're a sportsman you will experience a veritable paradise. Our fishing and waterfowl hunting are excellent. If you are just out for a relaxing respite from your normal routine, you will find it is just what the doctor ordered. Beautiful clean surroundings with plenty to see and do!

Campground Features Goose Island:

If fishing is your game, Goose Island is the place for you. Ask our camp manager about hot spots and what they're hitting on. The backwaters of the Mississippi are uniquely beautiful.

Wildlife abounds around Goose Island. Here a group of deer gather during an early morning feeding. Eagles, ducks, geese and egrets are common as are fox, beaver, raccoon and muskrats.

Our cedar log store and gameroom is waiting to welcome you. Register here and also pick up any of those items you may have forgotten. Bait sales and kayak and canoe rentals are also available.

We have over 400 spacious, beautifully maintained sites that vary from rustic tent sites to concrete pads.

When we say modern restrooms, we really mean it. This is our newest of three. We make every effort to keep them all immaculately clean. We also have three convenient sanitary dump stations and a laundromat.

Our beach and playground area provides fun for all on a sandy oasis.

Register right here at the Campground Store. Over the years it has been our delight to provide our guests with the best quality in service and facilities.

Campers wanting to get together for a pot-luck, cards, or just to visit are welcome to use the campground shelter.

Can you believe it? We have our own four acre fishing pond.

If you canoe, like to fish catfish, or just enjoy looking at the water, you will want to pick a campsite along the La Crosse River.

Well-maintained, modern buildings with hot showers and flush toilets are what you expect, and get at Veteran's.

Our campground has direct access to the La Crosse River State Bike Trail. Bike clubs and bicycling families alike find us "the place to camp" when riding the trail.
