ADMISSIONS

A Smooth Transition...

Hillview offers services for those seeking 24 hour nursing care, either on a temporary or long-term basis. The majority of our admissions return back home. Our social workers work with families, outside agencies, hospitals or other health care providers to assure that residents experience smooth transitions.

RECREATION

Promote well-being...

Our recreation staff, joined by volunteers from the community, offer a variety of opportunities for involvement. Participating in creative and meaningful activities is a vital part of the physical, spiritual and emotional well-being of each resident. From baking, crafts, resident council, live music and community outings to one on one visits, gentle exercise and special programming for those with dementia. There is something for everyone. Together our goal is to maximize each resident's ability. The residents rate the food and entertainment as outstanding!

OUR CARE

Hillview Health Care Center is a 199-bed nursing facility, located on a smoke free campus. We are owned & operated by La Crosse County. Our experienced staff are dedicated and compassionate about those they care for, the families they meet and relationships that are built. Quality care is our reputation and we are proud to provide it in a warm home-like environment. We provide fine technical care as needed, but never lose sight of the need to also offer respect, emotional support and compassion.

Don't be surprised if you see deer, ducks, geese and other animals as you relax outdoors.

DELICIOUS MEALS

Centralized Lounges...

Diets and preferences are carefully & continuously monitored by our in-house registered dietician and dietary manager. Great food which is attractively prepared is essential to residents nutritional and social well being. Guest meals are available at a reasonable price every day. Reserve a lounge for your family gathering today!

SKILLED NURSING

Stabilized staffing...

We understand the importance of stabilized staff including physicians. This means staff will get to know each resident and their family building trusted relationships. Our staff of RNs, LPNs and certified nursing assistants provide care on a 24 hour basis. Care plans are designed to meet the individual needs of each resident. Recognized for innovative contributions given to the practice of skilled health care, Hillview offers clinical experience to those in training from medical, nursing and allied health schools.

REHABILITATION

Committed to service...

Offering a comprehensive physical therapy, occupational and speech therapy programs. Hillview is committed to performing restorative measures in the daily care of residents. Staff is trained and certified in these procedures by our therapy department. This program is an integral part of all nursing care designed to assist each resident to return home.
